How a Birthday Gift can keep on Giving!
What would you like for your birthday this year? If someone asks, are you tempted to say, "Actually, I have everything I could ever want or need." Instead, why not suggest a gift to the Senior Center in your honor? It's a great way for everyone to celebrate your special day---not only you, but also the gift giver and those who benefit from the services your birthday has helped support.

Health care
that starts with you.™
