MEMORIALS

Remember your Senior Center as a potential recipient if you wish to make a contribution to a worthy cause. Several avenues can be followed:

- A monetary gift in memory of a friend or family member
- Request that cash memorials be given in your name to the Center.
- A charitable bequest to the Senior Center in your will.
- An annual tax deductible cash gift.

Giving to your Senior Center allows the purchase of needed equipment, operating costs, and helps to sponsor special programs.
